TO MY VALENTINE:

A year or so ago, I met a very lovely girl...
I'd never seen a smile so warm
or known a heart so true
on February 14th the dance
was surely fine
And everyone could see you were
my favorite valentine!

And so, the
months have
vanished

Our love has grown and grown
And I have felt a greater joy
than I have ever known -
And now, by the grace of a
loving Father, and His Son, our
Savior, our greatest blessings
still lie in our future!

I LOVE YOU!! Richard
