

An Eternal Memory...
*...Life Is Not The Same
Without You*

*The sun still rises in the east
and darkness falls at night
but nothing now seems quite the same
each day is not as bright*

*The birds still sing, the flowers grow
the breeze still whispers, too
but it will never, ever be
the same world without you*

*It's so sad that you had to go
your leaving caused such pain
but you were so very special
and earth's loss is heaven's gain*
