

HIGH FLIGHT

Oh, I have slipped the surly bonds of Earth
And danced the skies on laughter silvered wings
Sunward I've climbed and joined the tumbling mirth
Of sun-split clouds and done a hundred things
You have not dreamed of--wheeled and soared and swung
High in the sun-lit silence; hovering there...
I've chased the shouting wind along, and flung
My eager craft through footless halls of air.
Up, up the long, delirious burning blue
I've topped the wind-swept heights with easy grace
Where never lark, or eagle ever flew,
And while with silent lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand and touched the face of God.
-----Pilot Officer John Gillespie Magee Jr.

We wish to give special thanks to all of the granddaughters and great-granddaughters who have loved and supported their grandpa throughout their lives and especially these last few years
